

## 1.375" Winton 300B Tube Bender

- **Stock Number:** AM22255
- **Brand:** Winton
- **Capacity:** 1.3750

### 1.375" Winton 300B Tube Bender

- WINTON vertical high-production tube bending machine
- Model: 300B

#### Specifications:

- Maximum tube diameter: 1-3/8" (35 mm) OD
- Maximum bend angle: 150°

#### Includes:

- Microprocessor control – program up to 10 bends per part
- Direct drive high-resolution encoder
- Heavy duty linear roller bearings guide bend die
- Heavy duty linear roller bearings guide cushion cylinder
- Dual palm switches
- Dual speed hydraulic system
- Air-powered hydraulic oil cooler
- DISCOUNTED PRICE, AS PICTURED, CYCLED UNDER POWER, FOB CLEVELAND
