

1.5" Pines #1 Tube Bender

- **Stock Number:** AM23304
- **Brand:** Pines
- **Capacity:** 1.500

1.5" Pines #1 Tube Bender

- Pines horizontal type tube bending machine with split-die
- Used Model: #1

Capacities:

- Minimum Capacity: 1/8" OD
- Max Capacity:
- Round Mild-Steel: 1-1/2" x .109" wall
- Round Stainless: 1-3/8" x .065" wall
- Round Non-Ferrous: 1-1/2" x .188" wall
- Square Mild Steel: 1-1/8" x .120" wall
- Pipe: 1" schedule 80 (1.315" OD x .179" wall)
- Maximum rotation: 180° + springback
- Maximum Centerline Radius: 8"
- Maximum Length of material: Unlimited
- Bending Rotation: Left-Hand (Counter Clockwise)

Includes:

- Touchscreen Pedestal mounted operator control system
- Encoder for accurate degree of bend
- Nose-mounted split-die set-up
- Remote cycle start stand
- Adjustable stop system for length between bends
- Parker Hydraulic Valves
- Automatic lubrication
