

## 3.5" Coilco Extrupunch #12008 Tube Forming Machine

- **Stock Number:** AM17674
- **Brand:** CoilCo
- **Capacity:** 3.5000

3-1/2" Coilco Extrupunch #12008 Tube Forming Machine

- Tube diameter capacity: 0.625" – 3.5" OD
- Maximum wall thickness: 0.125"
- Minimum distance between whole collar edges: 0.25"
- Minimum distance between flat hole edges: 0.03125"
- Average collar height above surface: 0.10"
- Maximum holes in line is limited only by hole diameter, tube length and distance between holes
- Tube positioning carriage – Y axis and B axis positioning
