

3" Addison McKee 3-Axis CNC Tube Bender with BendPro G2 Controls

- **Stock Number:** AM22126
- **Brand:** Addison McKee
- **Capacity:** 3.0000

3" Addison McKee 3-Axis CNC Tube Bender with BendPro G2 Controls

- 3" Addison McKee CNC Tube Bender
- Right hand rotation, horizontal tube bending machine

Capacities:

- Maximum bending capacity: 3" OD
- Minimum capacity: 1/2" (aprox.)
- Maximum bend centerline radius: 12"
- Maximum tube length over mandrel: 144" (approx.)
- Bending rotation: right hand (clockwise)

Includes:

- BendPro G2 Control System
- Drop-away clamp die holder
- Automatic machine lubrication
- Hydraulic pressure die assist
- Hydraulic Mandrel Extractor
- Parker Hydraulic Cylinders
- Vickers Hydraulic Valves
- Fan-powered hydraulic oil cooler
