

3" Addison McKee FM-70 RF+RS-VS Tube End Former

- **Stock Number:** AM13802
- **Brand:** Addison McKee
- **Capacity:** 3.000

3" Addison McKee FM-70 RF+RS-VS Tube End Former

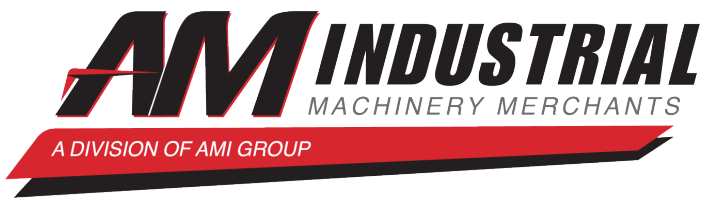

- ADDISON McKEE ADDISON large capacity single head hydraulic tube end sizing & forming machine-used
- Model: FM-70 RF+RS+RS-VS Serial: J042281

Capabilities Include:

- Max Diameter: 3" OD
- Minimum Diameter: 3/8" (approx.)
- Custom end forming
- Expanding / Reducing / Double & Single flaring
- Beading / Deburring / Flange Spinning
- Ram forming / Rotary Spinning
- Material uses: Steel, Stainless steel, Copper, Titanium, Aluminum
- 3 Head servo controlled vertical shift for multiple tool set-ups
- RF - Ram Form (1-Head)
- RS - (Rotart Spin/Ram Form (2-Heads)

Includes:

- Remote foot switch control
- Flag-stop for accurate part forming
- Fully integrated hydraulic system
- Rexroth hydraulic pump & related components
- Allen Bradley PLC & related components
- Automatic tooling lubrication system

- Quick change tooling
- 480 Volt, 3 Phase Electrics
- DISCOUNTED PRICE, AS PICTURED, CYCLED UNDER POWER, FOB CLEVELAND, OHIO
