

3.5" Addison McKee FM70 RFGT Digiview CNC End Former

- **Stock Number:** AM23491
- **Brand:** Addison McKee
- **Capacity:** 3.5

3" Addison McKee FM70 RFGT Digiview CNC End Former

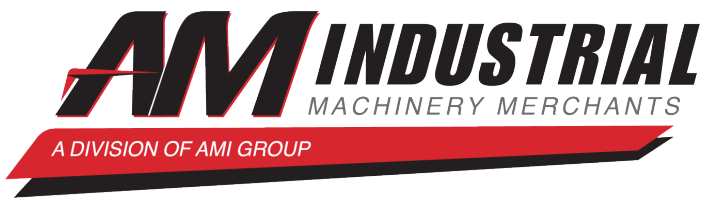

- Addison McKee CNC Tube End Forming & Flaring Machine
- Used Model: FM-70 RFGT Digiview
- Serial: J74359

Capabilities:

- Minimum Tube Diameter: 1" (approx.)
- Maximum Tube Diameter: 3" OD
- Rotating head with hydraulic out feed cylinder to feed the tool out into the tube creating the desired bead / flare / etc. while the workpiece is clamped in a hydraulic vise
- High production beading
- Flaring and Tube Trimming
- Expanding & Ball Forming
- Flanging & Parting

Includes:

- Touchscreen Machine Mounted Operator Controls
- Servo head travel
- Servo outfeed on spindle for accurate forming
- Two-hand cycle start pedestal
- Allen Bradley Electrics
- Rexroth Servo valves
- Fully integrated hydraulics and valving

- 480 Volt
- 60 Hz
- 3 phase electric
- Footprint: 11' L x 3' W x 7' H
