

3" Eaton Leonard VB300HP CNC Tube Bender

- **Stock Number:** AMVB300LH
- **Brand:** Eaton Leonard
- **Capacity:** 3.0000

3" Eaton Leonard VB300HP Tube Bender

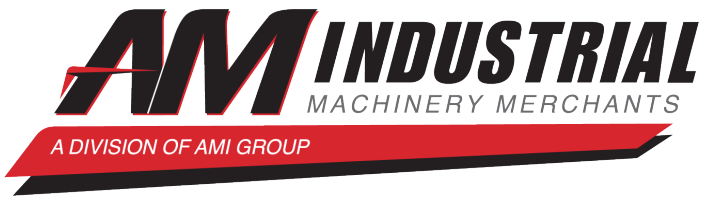

- EATON LEONARD 3-Axis CNC horizontal mandrel type tube bending machine-refurbished
- Model: VB300

Capacities:

- Maximum tube diameter: 3" OD
- Maximum degree of bend: 180° + springback
- Maximum bend centerline radius: 12"
- Maximum tube length over mandrel: 144" end-chucked (approx.)
- Bending rotation: left-hand

Includes:

- Hydraulic mandrel extractor
- Hydraulic pressure die assist
- Direct acting pressure die
- Drop away type clamp die
- Pneumatic collet closer
- Automatic lubrication system
- Machine schematics and drawings
- Refurbishment Includes:
 - New BendPro G2V3 CNC Control
 - Premium prime and paint
 - New Rexroth Servo drives

- New wiring
- Rebuilt hydraulic cylinders
- New hydraulic hoses
- New hydraulic pump
- Readjust/Remachine head slides and gibs
- (12) Months of BendPro G2 remote tech support.....\$5,100.00 (\$425/per month)
- Credit (for bender sale).....-\$5,100.00 (\$425/per month)
- DISCOUNTED PRICE, AS PICTURED, CYCLED UNDER POWER, FOB CLEVELAND, OHIO
