

3" Eaton Leonard VB300HP CNC Tube Bender

- **Stock Number:** AMVB300RH
- **Brand:** Eaton Leonard
- **Capacity:** 3.0000

3" Eaton Leonard VB300 HP CNC Tube Bender

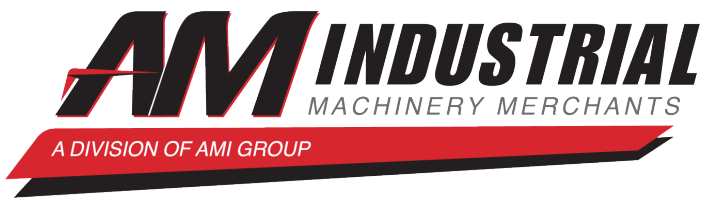

- EATON LEONARD CNC 3-Axis horizontal mandrel type tube bending machine
- Model: VB300 HP

Capacities:

- Maximum tube diameter: 3" OD x .120" wall (Mild Steel)
- Maximum degree of bend: 180° + springback
- Maximum bend centerline radius: 12"
- Maximum tube length over mandrel: 144"
- Bending rotation: Right-hand (clockwise)

Includes:

- Hydraulic mandrel extractor
- Hydraulic pressure die assist
- Direct acting pressure die
- Drop away type clamp die
- Pneumatic collet closer - OD type
- Automatic lubrication system
- Refurbishment Includes:
 - New BendPro G2V3 CNC Control - windows based
 - Premium prime and paint
 - New Servo drives and motors
 - New Wiring
 - Rebuild/Rechrome cylinders as needed

- New hydraulic hoses
- Rebuild/Replace pump
- Readjust/Remachine head slides and gibs
- 230/460 Volt, 3 PH, 60 HZ Electrics
