

0.620" Eaton Leonard VB50HP CNC Tube Bender

- **Stock Number:** AM18286
- **Brand:** Eaton Leonard
- **Capacity:** 0.620

0.620" Eaton Leonard VB50HP CNC Tube Bender

- Eaton Leonard VB50HP 3-Axis CNC horizontal mandrel type tube bending machine
- Maximum tube diameter: .620" OD x .083" WT (mild steel)
- Maximum bend radius: 6" approx.
- Maximum tube length over mandrel: 82"
- Bending rotation: right hand (clockwise)

Includes:

- Eaton Leonard Premier CNC control system
- Multi-stack bending capability - 3 stack shift
- Hydraulic mandrel extractor
- Hydraulic pressure die assist
- Direct acting pressure die
- Automatic lubrication system
