

8" Hines 800NC Tube Bender

- **Stock Number:** AM20625
- **Brand:** Hines
- **Capacity:** 8.0000

8" Hines 800NC Tube Bender

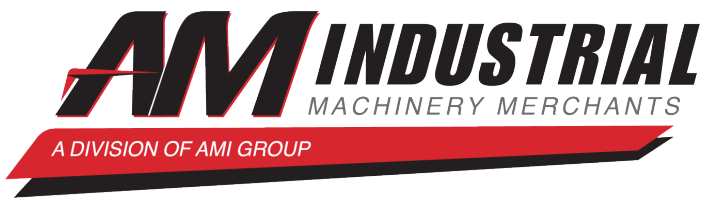

- Hines horizontal heavy duty mandrel type tube bending machine
- Used Model: 800NC
- New in 2012 Very Low Hours!

Capacities:

- Maximum Tube Diameter: 8" (200mm) OD x .250" WT
- Maximum Pipe Diameter: 6" Sch 80 (6.625" OD x .432" WT)
- Maximum Square Pipe: 6" x 6" x .250" WT
- Maximum Rectangle Pipe (Easy Way): 4" x 8" x .380" WT
- Maximum Rectangle Pipe (Hard Way): 4" x 8" x .250" WT
- Maximum Centerline radius: 22"
- Maximum bend angle: 190°
- Maximum tube length over mandrel: 13'
- Bending rotation: right hand (clockwise)

Includes:

- ProFace programmable operator touch screen control
- PLC Control for storing parts
- Encoder for degree of bend accuracy
- Overhead tie-bars to prevent die-deflection and eliminate wrinkles
- Pressure die assist
- Hydraulic mandrel extractor
- Split-die actuator for non-round parts
- Adjustable tube / Mandrel support
- 480 Volt

- 60 Hz
- 3 Phase Electrics
- Discounted Price, As Pictured, Cycled Under Power, Fob Cleveland, OH
