

6" Addison McKee FM-150 DIGI III CNC End Former

- **Stock Number:** AM24022
- **Brand:** Addison McKee
- **Capacity:** 6.000

6" Addison McKee FM-150 DIGI III CNC End Former

- Addison McKee form master CNC large capacity single head hydraulic tube end forming machine
- Used Model: FM-150 ID/OD Digiform III

Specifications:

- Minimum tube diameter: 1" (approx.)
- Maximum tube diameter: 6" (150mm) OD (depending on part shape)
- Expanding / Reducing
- Sizing & Beading
- Custom Forming

Includes:

- CNC Machine mounted operator controls
- Programmable touchscreen with part storage / recall
- Allen Bradley PLC and components
- Servo controlled motion for accurate part forming
- Quick change tooling design
- 230/460 Volt
- 60 Hz
- 3 Phase
