3" Pines #2 Horizontal Tube Bender

3" Pines #2 Horizontal Mandrel Tube Bending Machine, Maximum bending capacity: 3" OD x .188" WT, Maximum rotation: 180° + spring back, Maximum center line radius: 12", Maximum tube length over

- **Stock Number:** AM17904
- **Brand:** Pines
- **Capacity:** 3 inches
mandrel: 96”, Bending rotation: clockwise (right-hand), Pines SC type operator control Pedestal with touch screen and two hand control pedestal for cycle start, Hydraulic mandrel extractor, Pressure die assist, Automatic lubrication system, Parker Valves
