Motoman Robotic Weld Cell

Motoman Robotic Weld Cell, Includes Motoman all electric industrial arc welding robot - reach: 1,322 meters (52"), maximum payload: 6 kg. (13.2 lb), 6-axis vertically articulated, gear direct parallel link structure, includes Yasnac MRC control system - Serial Number: RP1014-593A-5, Hobart welder/power supply unit, equipment mounted on platform base.

- **Stock Number:** AM16807
- **Brand:** Motoman
- **Capacity:** 6
