

1-1/2" CSM #CNC-38 CNC Tube Bender

1.5" CSM #CNC-38 CNC horizontal tube bending machine

- Maximum OD: 1.5"

- **Stock Number:** AM19149
- **Brand:** CSM
- **Capacity:** 1.5000

- Maximum bend radius: 180 degrees + springback
- Maximum bend centerline radius: 8"
- Maximum tube length over mandrel: 85"
(approx)
- Bending rotation: right-hand (clockwise)
- Advanced tubular fully programmable 3-Axis
CNC operator interface - Windows based with
two hand cycle start pedestal
- Hydraulic mandrel extractor
- Hydraulic pressure die assist
- Hydraulic oil heat exchanger - fan type

inches
